News * Events Livestock

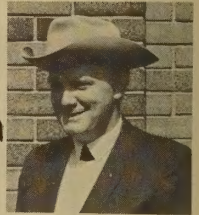

Something that really sets The Dakota Farmer off from other farm magazines is its regular Livestock Section. Livestock fieldman Ray Larsen's Dakota Livestock Notes will keep you informed on current happenings in the livestock business. In addition to his column, Ray also brings you a listing of purebred sale dates and results of major sales.

DAKOTA livestock notes

By RAY LARSEN

The Livestock Section also features associate editor Gary Moran's regular column about horses, saddle club activities and rodeo events. If you are interested in horses, this column is for you.

WHAT MAKES THIS GTA FEED FACTORY SO SPECIAL?

Lots of people can show you a feed mill. That's not the point. What's important are the high production feeds and feeding programs such a mill makes possible. So take a look at the GTA plant in Sioux Falls . . . here's what you'll really see.

Local Service. If you're reading this, you're in an area that can be served efficiently, economically and fast. That means mill-fresh feeds, the kind that result in better performance, in low-cost production.

GTA Quality. A feed can be no better than its ingredients and the way these ingredients are blended. That's why GTA takes such care in ingredient selection, in mixing, in

quality control and in test programs. You're one who benefits.

Nutritional Counsel. Our Research Staff is located right at Sioux Falls. It's ready to help! Our feed consultants, working through your local co-op, are on hand to give you the benefits of their training and know how. GTA service doesn't stop when you buy the feed!

Do Business with a Business you Own. Regardless what type of livestock operation you run, you'll do better with GTA. Better, because you get proven feeding *programs*, better because you and other farmers like you share in the returns of your local co-op.

Visit your nearby co-op for complete information on a feeding program suited to fit your needs.

TERMS AND CONDITIONS

The Sioux Falls Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the Sioux Empire area, takes pride in presenting this offering of QUALITY PUREBRED LIVESTOCK.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.

2. Buyers will assume all risk on animals as soon as they are declared sold.

3. The auctioneer will settle all disputes as to bids.

4. The Sioux Empire Farm Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.

5. Any change in breeding date will be announced sale day.

6. Terms of every sale are cash. Settlement to be made with the sale clerk, at the time of sale unless special arrangements are made with the clerk.

7. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.

8. Mail bids will be accepted by the Breed Superintendents.

9. During sale week, telephone bids will be accepted at the sale arena, phone number 336-3130.

10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Sioux Empire Farm Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.

The Banks of Sioux Falls are cooperating in the Clerking.

SWITCH from nagging backaches and costly manual labor to today's low-cost labor savers—ELECTRIC farm equipment. Reddy Kilowatt powered equipment does every job—unloads silos, conveys grains, feeds livestock and poultry—automatically. These machines have been tested and field proven—they work!

Consult our trained Rural Representative about the ELECTRIC farm system that suits your needs ... it pays!

SPECIAL AWARDS

THE AMERICAN ANGUS ASSOCIATION, 3201 Frederick Boulevard, St. Joseph, Mo., Glen Bratcher, Secretary, will add 25% to the premiums offered by the Sioux Empire Farm Show to the top ten Angus steers brought to the Coliseum for final placing. An additional \$100 will be awarded to the Grand Champion steer, provided it is an Angus Steer sired by a bull recorded in the American Angus Herd Book. These awards will be paid directly from the Angus Association in St. Joseph, Mo.

THE AMERICAN HEREFORD ASSOCIATION, Hereford Drive, Kansas City, Mo., Paul Swaffar, Secretary, is cooperating with the Sioux Empire Farm Show wherein they will pay an additional 25% of the premiums paid by the Farm Show to the top ten Hereford steers brought to the Coliseum for final placing. In addition, an additional \$100 will be awarded to the Grand Champion steer, provided it is a Hereford. These awards will be paid directly from the Hereford Association in Kansas City.

THE AMERICAN SHORTHORN ASSOCIATION, 8288 Hascall Street, Omaha, Nebr., C. D. Swaffar, Secretary, is cooperating with the Sioux Empire Farm Show wherein they will pay an additional 20% of the premiums paid by the Farm Show to the top ten Shorthorn steers brought to the Coliseum for final placing. The Association's share will be mailed directly from their office in Omaha.

LOGAN CHALLENGER - A son of Eldak Research, who has been labeled the "Hottest Brand Going". Rightfully so, since he sired the Champion Bull here in 1965 and the Reserve Champion Bull in 1966. Challenger is by the same dam that was the grandam of our 1965 champion that sold to Emery and Ray Sumption. This bull was a member of the first prize get-of-sire South Dakota State Fair.

ROGER MEGARD

MALE

LOGAN LANSING 3254-239 L-6512

Dk. Roan, calved July 12, 1965. Consigned by Roger Megard, Sherman, South Dakota.

A smooth, rugged son of "Marksman", sire of the Champion Female at the 1966 South Dakota Spring Show and Sale at Aberdeen. A "Marksman" daughter, the first to sell at auction, brought \$7000 in the 1965 Meadow Lane Farm Sale in New York. Being a grandson of the 1959 International Champion Dor Mac Bardoliermere 150 and extremely well bred Eileenmere on the dam's side besides being a top individual, makes this bull a real prospect.

A son of "1690" whose record speaks for itself, having sired the Reserve Grand Champion Bull at the 1966 Sioux Falls Show, top selling and Grand Champion Female at the 1964 Minnesota State Sale, 1966 North Iowa Reserve Grand Champion Bull, 1965 Sioux Fall Grand Champion Steer, as well as the dam's of the 1966 South Dakota State Fair Reserve Bull Calf Champion, and the 1966 Iowa State Show & sale, 1st prize Junior Bull Calf. Brookmere 1206 is out of a powerful cow, that is a three quarter sister to the 1959 International Grand Champion Steer, and an own daughter of the famed Dor-Mac's Bardoliermere 70, sire of the 1959 International Grand Champion Female, note the second dam an own daughter of Les Mugge's Blueboy Lad 102 of Ida.

BROOKMERE 1032

Sired by "1690" considered to be the "top" breeding son of the 1952 International Grand Champion Bull Ankonian 3216. His dam SB Elga 216 of Shady Lane is now a prized possession of the Black Watch herd in New York, where she is a top producing cow. Brookmere 1235, is a full brother to Brookmere 3216, the popular bull that was sold in the 1966 Sioux Falls Sale. Their dam comes from a great strain of Barbara cows, his dam was a 1st prize female at the Minnesota State Fair, with the second dam on own daughter of Blueboy Lad 52 of Ida.

Terms and Conditions

In addition to the terms and conditions listed earlier in the catalog, the following is also in effect for the Holstein Sale.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herd Book of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser free of charge.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell the same.
2. Unless otherwise announced from the auction stand, each animal is sold as sound.
3. (A) Bulls: Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within 4 months after the bull reaches 14 months of age. The seller shall then have 6 months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
4. (B) Females: Any female pregnant when sold or that has freshened normally within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within 6 months of sale date, or if less than 15 months old when sold by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of 6 months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the sale price of the animal.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

On Thursday, February 2nd, there will be a 'Get-Together' Dinner for all friends and consignors at the Eastway Bowl, 3201 E. 10th Street at 7:00 P.M.

TYLAN SULFA

We put 'em together

Now you don't have to wait for twisted noses and stunted growth to do something about atrophic rhinitis. At least half the hog herds have one or more organisms which cause atrophic rhinitis. And the most common is the bordetella organism.

There's a new drug in CO-OP Pig Feeds which cuts the occurrence of bordetella. Sulfamethazine! It's now available in combination with Tylan for increased weight gains and better feed utilization in the presence of atrophic rhinitis. This drug combination also prevents dysentery.

We can't promise that it will eliminate crooked noses in your herd completely. But you can expect to see them less often. Plus maintain weight gains and feed efficiency in the presence of rhinitis.

Look into the double-duty combination of Tylan and sulfamethazine soon. Give us a call.

Name of Feed	Age/Wt. to Feed	Feed per Animal	How to Feed
Pig Pre-Starter Complete (CE)	0-4 weeks (5-15 lbs.)	5 lbs.	Complete feed for early-weaned pigs, or supplement for pigs on sow.
Pig Starter Complete (CE)	5-7 weeks (15-30 lbs.)	25 lbs.	Complete feed. Feed free-choice to weaned or unweaned pigs.
Pig Grower-16 Complete (CE)	8-10 weeks or 8-12 (30 to 50-75 lbs.)	100 lbs.	Complete feed. Feed free-choice; keep before pigs at all times.
Pig Grower-14 Complete (CE)	11-12 weeks (50-75 lbs.)	60 lbs.	Complete feed. Feed Grower-16 or -14 according to preference.

The sire to this young bull, Amigo, is a 100% Charolais, which sold for \$30,000 at the Kansas City Charolais Congress in 1965. He also holds a world PRI record on loin-eye measurement of his progeny. His dam has produced outstanding Charolais each and every calf. This includes a heifer which was 3rd in South Dakota in 1964. Fairfield Amigo Dante placed first in his class at the Minn. State Fair, 1966. He has a PRI certificate of registration with a weaning weight at 205 days of 717 lbs. and a yearling gain of 2.76. This, I am sure, is a herd sire prospect.

The sire to this heifer, Trig, is the largest Charolais bull ever sold in the history of Upper Midwest Charolais Association sales. He was well over the 2400 lb. mark. The dam, Suzanne, is also one of my largest cows. She is a 15/16, but one of those very good high percentage females. This heifer will sell pasture bred to Fairfield Amigo, which is a son of Amigo, a 100% Charolais bull and sold for \$30,000 at the Kansas City Charolais Congress. Amigo also holds a world PRI record on loin-eye measurement of his progeny. Fairfield Amigo has proven himself even as a young bull. His PRI record is as follows: Weaning Weight at 205 days, 921 lbs. - just a few pounds short of a world record, at that time. At 11 months of age, 1220 lbs., and at 16 months, just over the 1600 lb. mark. This bull, Fairfield Amigo, will be used by the University of Minnesota, Morris, for their 1967 herd breeding. PRI certificate of registration will accompany this heifer's sale. PRI Weaning Weight - 519 lbs. 365-Day Yearling Gain - 2.28.

Notes

"PARTNERS IN AGRICULTURAL PROGRESS"

The annual SIOUX EMPIRE FARM SHOW is but one of the many agricultural activities sponsored each year by the Sioux Falls Chamber of Commerce.

Realizing the importance of agriculture to the economy of our city, the Sioux Falls Chamber of Commerce has sponsored the National Plowing Contest, the National Cornpicking Contest, Land Judging Schools and we give full cooperation to the Sioux Empire Fair, Soil Conservation Programs and many other activities related to the most important industry in our state—agriculture.

Our city is no better than the agricultural area surrounding it. Our constant purpose will be to always maintain a close working relationship with all interests to upgrade farming methods and income in our state, area and all America.
